

Did you know, at Bright Futures we offer...

- ✓ **A balance of autonomy and collaboration** as we respect the unique identity of each school, offering the flexibility to maintain local decision-making while benefiting from our strategic direction and shared expertise. We recognise the important role of the principals and headteachers.
- ✓ **An Educational Psychologist Team** which underpins our commitment to ensuring the right support to provide every child, without exception, the very best educational experience and opportunities.
- ✓ **A proven record of school improvement and a strong school improvement strategy** with over 80% of schools having improved or maintained Ofsted grades.
- ✓ **Regional identity with national influence** while Bright Futures serves communities in the North West, our MAT is recognised nationally for its positive impact.
- ✓ **A dedicated central support team of experts** ensures school leaders remain focused on what matters most, delivering the best possible outcomes for every child.
- ✓ **Empowered governance with local voice and strategic alignment** ensures our schools retain their unique identity, with governing bodies that reflect and respond to the communities they serve.
- ✓ **Strong partnerships, networks and innovation hubs** provide access to cutting-edge educational research and innovation, benefitting not only our pupils but also our colleagues and local communities.
- ✓ **A clear vision for sustainable growth** ensuring that our schools are part of a robust, financially viable, and long-term sustainable MAT.
- ✓ **A culture of belonging** that enables a high performing working culture promoting collaboration aspiration and support. Recognising the critical value of high-quality professional development of all colleagues, championing this within and beyond the Trust.
- ✓ **Strong community links ensure our schools are deeply embedded in local context, ensuring they respond to the specific needs and aspirations of the families and communities we serve.**
- ✓ **Collaboration at scale with 11 schools, 5,200 young people and 900 staff, we drive progress and success & PDI**
